GUIDELINES FOR GROUP FITNESS CLASSES:

A water bottle and towel are recommended for all classes. Let your instructor know if you are new to group fitness or if you have any limitations relevant to the workout. Please do not enter a class in progress after the warm-up has been completed or leave before properly stretching and cooling down. Please do not talk during class. It is distracting to other students and to your instructor. All cell phones should be turned OFF during class. Only dry, clean sneakers are allowed in the exercise studios. Closed athletic shoes are required for all classes EXCEPT Pilates and yoga. Please, no gum chewing during class. Excessive perfume or cologne is bothersome to other class participants. Our instructors do their very best to commit to their regularly-scheduled classes, but occasionally they require substitutes. Please be understanding of this situation.
